## USB-C™ 3.2 Gen 2 Extension Cable, 0.5 m

Art. No.: CUA0105

This USB-C 3.2 Gen 2 extension cable supports fast charging, SuperSpeed data transfer as well as Ultra HD 4K video resolution. With it, you can easily extend your existing USB-C cable for charging and data exchange with your device. It protects the USB-C socket of the device from frequent plugging and unplugging.

» The cable makes your device's USB-C port easily accessible
» Supports data transfer speeds of up to 10 Gbps and fast charging up to 5 A current
» Supports reversible USB-C connector
» Compatible with Thunderbolt 3
» Supports charging, data transfer for audio and video resolution up to Ultra HD 4K@60 Hz
» Protects the interface of your device (Type C or Thunderbolt port) from damage due to ejection and plugging in
» Enjoy the highly qualified image quality and sound effect
» Slim and elegant design with aluminum alloy body and unibody structure
» USB-C plug with gold plated connector and contacts provides a solid quality for connection
» No limitation of data transfer direction; both sides can be host or target
