Art No. UA0148

USB2.0 7-Port Hub

The UA0148 is very well shielded owing to its metallic casing and as such is the optimum solution for an industrial use. It can be mounted below the table or at the wall. This creates order at the work place. The power pack contained in the scope of supply provides for extra power with current hungry USB devices. Also, diagnostic LEDs provide port status for each port and power status.
